Miss Harker Update

Today we say farewell to Miss Harker as it is her last day before she goes on maternity leave.

We wish Miss Harker all the best and look forward to seeing her and her new baby soon.

THE TIPTREE HEATH TELEGRAPH

Issue No. 27 Summer Term

26th April 2024

Attendance

We encourage our children to attend school regularly and on time as every lesson really does count. We monitor attendance regularly and letters are sent where attendance is below 90%. Children with less than 90% attendance are classed as persistent absentees.

There is a link between attendance and attainment.

In 2018/19, just 40% of persistently absent children in KS2 achieved expected standards, compared with 84% of pupils who regularly attended school.

Regular school attendance can also facilitate positive peer relationships, which is a protective factor for mental health and wellbeing.

Letters sent home this week

- * Year 4 staffing update - via Parentmail.
- * Year 5 Science Museum visit - paper copy.
- * Year 6 SATS breakfast letter - via Parentmail.

Year 3 Visit to Museum of Power

Year 3 visited the Museum of Power on Wednesday and had a great time learning about forces and magnets.

They explored centrifugal force by spinning cups filled with water over their heads.

They investigated magnetic and non-magnetic materials, which is part of their Science unit, and built on their learning in the class.

They all loved riding on the steam train, watching some magic from the magician and hunting for gnomes in the village.
